

Why study with us?

- TVETA ACCREDITED INSTITUTION
- TVET CDACC CENTRE
- KNEC CENTRE
- ICM CENTRE
- JP CENTRE

1) **Official Recognition:** UCC is fully accredited, meaning your certificate is valid, trusted, and recognized locally and internationally.

2) **Quality Training:** UCC follows approved curricula and employs qualified lecturers to deliver relevant, standard education.

3) **Career Growth:** Accredited certificates are accepted for professional registration, promotions, and government jobs.

4) **Global and Academic Progression:** Accredited studies open doors to further education and scholarships abroad.

5) **Better Job Opportunities:** Employers prefer graduates from certified institutions.

6) **Protection and Assurance:** Studying at a certified college safeguards you from fraud, ensuring your time and money are well spent.

—The Only Certified Private College in the South Coast —

About Our College

Founded in 2000, UCC has grown from offering one secretarial course to over 25 certificate and diploma programs. We provide flexible class schedules, including morning and evening options, to suit both full-time and working students. Join hundreds of successful graduates and build your career with accredited and certified courses training at UCC .
